We are dedicated to help any qualified student receive a Cornerstone Christian School education. Recognizing that tuition costs represent a significant investment in each student's future, Cornerstone is now accepting applications for Tuition Assistance through FAST (Financial Aid for School Tuition).

FAST is being made available to families who meet the school's enrollment criteria. Decisions are made based on financial need without regard to a student's race, color ethnicity, or national origin. Visit www.ourcornerstone.net to apply. Upon completion of the FAST application, you will need to submit copies of your tax documentation to FAST for verification.

Invite family and friends who may be looking for "Excellence in Education" for their pre-K through 8th grade children to call the school office and set up a tour. New students often enroll at Cornerstone School based on the recommendation from you, our families.

Our way of thanking you for referring a new student is with a \$100 Referral Credit. *The new enrollee must complete the registration process, be accepted, and attend CCS for a minimum of one semester during the upcoming school year.* After approval of requirements have been met, the Referral Credit will be issued to the referring family's account at the second semester of the school year. Contact the office for more information regarding the Referral Credit.

Thank you for choosing Cornerstone Christian School for your child's education. We appreciate your prayers and for supporting our spiritual goals and values as we stand together equipping this generation for Christ. If you have any questions, please call or stop by and visit the school office.

"And you know in all your hearts and in all your souls that not one thing has failed of all the good things which the Lord your God spoke concerning you. All have come to pass for you, and not one word of them has failed." Joshua 23:14
